

Ekotribe To Demonstrate Eco-friendly Consumer Products and Technologies at the World Future Energy Summit 2011

Commenting ahead of the World Future Energy Summit (WFES) 2011, which will take place in Abu Dhabi from 17-20 January 2011, Anu Agarwal, Director of Ekotribe stated, "WFES promotes innovation and investment opportunities surrounding renewable energy and environment. We aim to capitalize on this unrivalled business platform to showcase our latest environment friendly products and technologies. Our participation in WFES 2011 further demonstrates our commitment in helping UAE and the region in reducing its carbon footprint while providing superior eco-products that enable eco-friendly lifestyles".

Ekotribe will be exhibiting a wide range of energy and water saving devices, including green gadgets and solar appliances. Other products on display include reusable shopping bags, recycled paper and stationery, BPA-free water bottles and lunch boxes, solar powered backpacks and eco-office products with corporate branding.

Ekotribe stand # 4400 is located in Hall 4 of the Abu Dhabi National Exhibition Centre.

About Ekotribe

Ekotribe was started in early 2010 with a desire to introduce green living. Ekotribe offers a range of eco-friendly products including green gadgets and appliances, solar lights, reusable gift bags and shopping bags, recycled paper and stationery, eco-friendly shower heads, eco-friendly toys, BPA-free water bottles and lunch boxes, soy candles, organic beauty products, solar powered totes, solar powered backpacks, bamboo kitchen ware, eco-friendly household cleaners and biodegradable tableware.

Ekotribe supports environmentally friendly manufacturers & designers. All customers are guaranteed products which are 'green', easily absorbed into the ecosystem, without compromising on design or quality. Ekotribe strives to offer high quality products that are either - Biodegradable, Environmentally safe, Handmade, Natural, Recycled, Recyclable, Reusable, Sustainable or Organic. Ekotribe is promoting a lifestyle that includes being aware of the environment, yet enjoying high-end products without forgoing quality & design.
