

Ekotribe Demonstrates Eco-friendly Consumer Products and Technologies at the Doha Green and Sustainability Summit 2010

Doha, Qatar: 11 April 2010 – The Doha Green and Sustainability Summit 2010 got off to a flying start with a full house of an estimated 500 delegates attending the conference on sustainability issues facing the region. International speakers from US, Europe and the GCC addressed the audience on innovative strategies that can help businesses become more sustainable and profitable at the same time.

Ekotribe exhibited a range of eco-friendly products including green gadgets and appliances, solar lights, reusable gift bags and shopping bags, recycled paper and stationery, eco-friendly shower heads, eco-friendly toys, BPA-free water bottles and lunch boxes, soy candles, organic beauty products, solar powered totes, solar powered backpacks, bamboo kitchen ware, eco-friendly household cleaners, biodegradable tableware and organic pet products.

Ravi Raman, Vice-President of Oryx Advertising, stated on behalf of the organisers of the summit, “We are delighted to have ‘green technology products’ showcased by Ekotribe at our Summit. We are confident that several local Qatar based organisations will embrace eco-friendly products in their daily lives.”

Sharad Agarwal, CEO of Ekotribe commented, “We are overwhelmed by the response thus far and hope to soon appoint a distributor in Doha who will take care of the local requirement for ‘green products’”.

About Ekotribe

Ekotribe was started with a desire to introduce green living. Ekotribe supports environmentally friendly manufacturers & designers. All customers are guaranteed products which are ‘green’, easily absorbed into the ecosystem, without compromising on design or quality.

Ekotribe strives to offer high quality products that are either - Biodegradable, Environmentally safe, Handmade, Natural, Recycled, Recyclable, Reusable, Sustainable or Organic. Ekotribe is promoting a lifestyle that includes being aware of the environment, yet enjoying high-end products without forgoing quality & design.
